

As a member of the Duke community, I affirm that our [values](#) underscore the behaviors that we expect of ourselves and one another. We are, more than ever before, individually and collectively responsible for the health and safety of our fellow students, faculty, staff, families and neighbors.

I acknowledge the trust that others are placing in me, affirm the respect I have for all members of our community, and promise to honor my commitment to them through the decisions I make and the actions I take, whether I am on campus, at home or in my neighborhood.

I recognize that Duke is committed to sustaining a safe and healthy campus, and seeks to minimize the risk to our students, faculty, staff and others who are present on our campus. And in return, I commit to do my part by caring for myself and the community.

I have chosen to be a member of the Duke community for a purpose – to learn, to live, to teach, to work – and I affirm that the Duke Compact connects us all. By agreeing to this Duke Compact, I pledge to be personally responsible and accountable. By signing my name to this pledge, I acknowledge that *these* are the conditions for being on campus. To be at Duke is to be united ***for each other.***
